Frank Wolland
FRANK WOLLAND FOR MAYOR OF NORTH MIAMI
12865 West Dixie Highway
Second Floor
North Miami, Florida 33161

Dear Mr. Wolland:

Based on the strong recommendation of the North Miami Police Association I.U.P.A. Local 6007 I am pleased to tell you that the International Union of Police Associations is proud to endorse your bid for Mayor of the City of North Miami.

Your involvement in so many of North Miami's affairs for the past 25 years is exemplary. We are especially impressed with the fact that as member of the Personnel Board you have consistently supported and protected the rights of North Miami's police officers when civil service issues arose.

Your clear understanding of the sacrifices your officers make and the pressures their families endure as those they love go into harm's way to protect the citizens of your community is greatly appreciated. In addition, your strong support – both as a councilman and as a Mayor – when your officers engaged in union negotiations to ensure they received adequate compensation for the dangerous job that they do so their families would be more secure is clear evidence of your commitment.

Your creation of a citizens' police academy was a bold step to bring citizens and police officers in closer contact and create a clear understanding among the people they serve of the challenges the officers face every day. Also, your present service as President for the local Police Athletic League is of value to both the police and the young people in your community.

We wish you well in you well in your campaign and look forward to your continued public service as Mayor once again.

Sincerely yours,

Sam A. Cabral
International President
